

# CS 311 Mass Change of Assigned Business Partners to Real Estate Objects

## ADJUSTING RELATIONSHIPS BETWEEN BUSINESS PARTNERS AND REAL ESTATE OBJECTS IN A SINGLE CHANGE RUN

You manage SAP real estate objects or architectural objects, as well as contracts, and you want to change business partner relationships in a single step.

The screenshot displays the SAP CS311 RE-FX Mass change of Relation RE-Objects - Bus.Partners @COS33 interface. The window title is "CS311 RE-FX Mass change of Relation RE-Objects - Bus.Partners @COS33". The interface includes a menu bar (Program, Edit, Goto, System, Help) and a toolbar with various icons. The main content area is divided into several sections:

- Object Selection:** Fields for Company Code (3300), Business Entity, Building, Land, Rental Object, Partner Selection Active (checked), BP Role (TR0806), and Business Partner (38). There are "to" fields and selection icons for each.
- Period/key date:** From/On (30.05.2013) and To fields.
- Filter:** Status Selection Active (checked) and Person Resp. Selection Active (unchecked) options.
- Rule of change:** Execution Mode (S Simulation).
- Object type to change:** Business Entity (checked), Land, Building, and Rental Object (unchecked).
- New partner assignment:** Start Relationship (01.06.2014), End of Relationship (31.12.2014), Business Partner (33), BP Role (TR0806 Administrator), and Role type.

The SAP logo and navigation icons are visible at the bottom of the window.

## YOUR BENEFITS BY USING THIS ADD-ON

- Make mass changes to relationships between SAP real estate management objects, contracts, architectural objects, and their SAP business partners
- Replace a partner permanently or for a specific period of time (leave, maternity leave, etc.)
- Create or assign new partners
